### *"Never such innocence" – Voices of Armed Forces Children project*

This is another idea for any children from our service families . I know what lovely creative ideas all our children at Jam Band have, and thought some of you, along with older siblings who may like to have a go at a piece of writing, a song, a poem, a video about what it's like to be a child of a member of the armed forces. What makes your family member special, or what it's like during this time of Covid 19. There is a link to submit your work. Do send me a copy of anything you submit as we would all love to hear what you have been doing. Good Luck.
