

Parents/Carers

As we mentioned, a couple of weeks ago, we would like to trial a craft club.

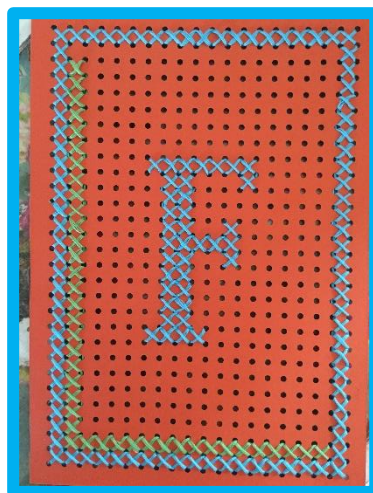

The aim is to leave packs of resources outside of school for you to collect, whilst out on your daily walk. Members of staff will then post an instruction video on the school Facebook page for you to follow.

Unfortunately the last document you completed, to register interest, didn't work as we hoped. Therefore you will need to tell us, each time we release a new craft, if you're interested. We will then prepare as many packs as we can and let you know if we have a pack for you to collect.

Don't panic if we don't have enough of a certain resource for everyone. We are hoping that there will be lots of different crafts for you to try. Some will be more suitable for your children than others.

The first craft we are going to offer is cross stitch. This is probably more suitable for KS2 children but younger children are welcome to give it a go! We will provide everything you need for your child to stitch their own initial and learn all of the basic cross stitch techniques.

Below is one we started earlier...

If this is something your child would like to try, email me at daniellejones@mpsplymouth.net before Monday 4th May.

I will reply to let you know if we have a pack for you to collect. If demand is high and we run out of resources, don't worry, just keep an eye out for our next craft.

I look forward to hearing from you

Mrs Jones
