

Dear Parent/ Carer

We would like to invite you to find out more about maths in the Foundation Stage and 'Maths Moments at Home'. The event will take place on Monday 6<sup>th</sup> November, 5:30-6:30pm and is for parents and carers only.

You will be pleased to know there will be no maths test! During the hour, you will have the opportunity to use the maths equipment your child plays with at school and take away with you simple ways you can support your child with their maths development at home. You will receive a 'Maths Moments at Home' booklet and access to maths videos, which show how children progress in maths.

Tea and coffee will be available.

Please complete and return the form below to let us know if you will or will not be able to attend the event.

Kind Regards

The Foundation Team
