

# Foundation Home Learning

Please remember home learning should be fun! Don't worry if you do not have time at a weekend - just if and when you can!

20<sup>th</sup> - 24<sup>th</sup> May 2019

In the blink of an eye we are somehow at the end of another term in school and the children are preparing for their final term in Foundation. This term has absolutely whizzed by, full of super learning, experiences and most importantly fun!

This term we have enjoyed:

- China Week - eating Chinese food, making masks and lanterns and joining in with the whole school parade
- Foundation Spring Disco
- Learning about our new class author Giles Andreae and learning about different countries and animals - going on hunts in our forest, making plane tickets and pretending to be explorers
- Introducing Elmer and helping to paint our school elephant
- A visit to Playbox to watch their Summer Show
- Celebrating our Star Home Readers with a Teddy Bears Picnic

Wow - all of this in just a very short term. Next term our timetable naturally progresses to prepare the children for Year 1. We build this up discreetly throughout the year so the children hardly notice the changes in the expectation to complete more independent challenges. Throughout next term we will have a thorough transition into Year 1 and fully support all children to settle into their new environment and get to know their new staff - how exciting! Please keep an eye out for a Foundation to Year 1 Parents and Carers meeting date which will support you all with the new expectations in Year 1, doors to pick up etc and some exciting summer challenges to help your child prepare for their new adventure.

**Home Learning:** We hope you have a fantastic week with family and friends. Please share your exciting adventures on Tapestry.
