Dear Parents/Carers

Applying For Free School Meals

We now have a system where Montpelier can check your eligibility rather than you having to go through Plymouth City Council website.

If you click on the link below, you just need to start an application and complete a few details and we will be notified if you are eligible:

<https://www.cloudforedu.org.uk/ofsm/sims-greenshawlearningtrust>

If you have more than one child, please apply for each child.

After you click start, a list will appear explaining eligibility.

If you can't access the internet or have problems, please contact the school office where we can check on your behalf but we will need your permission and your National Insurance Number and date of birth to be able to do this.

Please contact admin@mpsplymouth.net or call 01752 216160 and speak to Jayne.

Many thanks

Jayne Hayes
