

Monday 6th December 2021

Dear Parents/Carers,

The year 5/6 football club for girls will be continue after Christmas on **Wednesday 12th January 2022** until Easter, on the playground, finishing at 4.00pm. All children who signed up for the autumn term club will automatically be included for the new year. There are places still available for new players though these are limited in number.

For the club, children should bring their football kit (such as that of a team) to school, changing into it just before the end of the day. It is recommended that children wear shin pads under football socks, as well as trainers to play on the playground.

Please sign and return the attached consent form by Friday 10th December to Mr Robinson in class 5P. The children will then be informed if they have gained a place in the club on Monday 13th December.

Kind regards,

Mr Robinson
