

# Foundation Home Learning

Montpelier  
Primary School  
*Learning Together  
Achieving Success*

24<sup>th</sup> - 28<sup>th</sup> September 2018

What a fantastic week we have all enjoyed in the sunshine! The children very much enjoyed using their sock puppets to learn our sounds this week. Next week we will be continuing to learn s,a,t and p and start to segment and blend CVC words. The children have listened to many stories and enjoyed different versions of 'Little Red Riding Hood' and 'The Enormous Turnip' in preparation for our Harvest Assembly on Monday - we look forward to seeing you there.

In Maths, we have been focussing on numbers 0,1,2 and 3, placing these numbers in order and understanding their value. Meg the witch has been teaching the children to use their fingers to help represent these numbers.

**Home Learning:** With our beautiful Autumn weather and our Harvest festival approaching, we would very much like you to explore and discover the changing seasons. Can you go on a hunt either in your garden, park or out and about to find conkers and leaves? Can you count how many you can find and try to practice writing the numbers using our ditties (handed out in information packs)? What else can you find? We would love to see photos of this on Tapestry to share with the class or can you make an autumn collage with your findings? (This has no time limit - please do not feel you have to get this done this weekend!)

## Dates for next week:

**Monday 1<sup>st</sup> October** - Harvest Assembly 9.15am

**Tuesday 2<sup>nd</sup> October** - Class M lunch 11.30am

**Wednesday 3<sup>rd</sup> October** - Class P lunch - 11.30am

**Thursday 4<sup>th</sup> October** - Class S lunch - 11.30am
