Academic Year 2021/22

Issue No: 06

Date 15th Oct 2021

Hello from Mr West

There is no better place to be during the working day than in school. Since our return in September smiling faces and children asking how my day has been has become a daily experience. From this, I draw two conclusions – that the children are happy and therefore we must be doing something right.

Being happy is fundamental. In a world that is fast paced with access to everyone and everything being at the swipe of a screen, being happy should be the prerequisite for everyone.

Happiness for me is in the small things, with children a wonderful reminder of how simple life should be. They appreciate the little details, take in the experiences afforded to them and enjoy the moment they are in. This week - for the first time in 18 months - we welcomed families back into school to celebrate Harvest with their children. I have no doubt that this brought a little happiness to many of you. The school experience is one we take together! We have so many wonderful experiences to look forward to throughout the coming weeks, so sit back, relax and enjoy what is always a wonderful time of year.

At this point, I would like to bring your attention to the upcoming parent forum. We value your thoughts and opinions and would like to spend some time sharing our vision for the time that is ahead of us. More details will follow, but save the date - Wednesday 1st December at 18:30 via Zoom.

Have a great weekend, it certainly is deserved and I look forward to doing it all over again next week.
