

# Foundation Home Learning

Montpelier  
Primary School  
*Learning Together  
Achieving Success*

5<sup>th</sup> – 9<sup>th</sup> November 2018

Wow - what an amazing week we have had completing our Balancability course provided by the Plymouth Schools Partnership. We are so very proud of the children for their effort, commitment and overcoming fears. It has been amazing to see their progress - well done all!

Due to our daily Balancability sessions, our timetable has been structured differently but we have still ensured that Len has introduced four new sounds and Meg has helped us with our Firework maths, discussing less/fewer and the same and adding one more.

This week we have been talking about Non-Fiction books in Literacy and looking at Fireworks, Bonfire Night and safety posters. The children have written a simple rule and have written real and alien words for the sounds they can hear in fireworks. Len has introduced four new sound: ck,e,u and r.

Can you practice writing these words at home using the correct letter formation? Can you segment each word for spelling?

**kick, sock, sack, pack, get, pet, neck, tuck, rag, ram, rip**

Please feel free to bring these into school so that we can share them in class in whichever way you would like to record.

## Home Learning:

Alongside practising writing some words with our new sounds in, can you read the words on the sheet and cut and stick the correct picture? Can you make a super learning choice and write the words too?

Please feel free to share a video of these on Tapestry.

**Dates for next week: Anti-Bullying Week - children can wear odd socks this week**

**Monday 12<sup>th</sup> November -**

Remembrance service 10.30am in the Pirate Ship playground for a 10.45am start

'Maths Moments at Home' Workshop 5-6pm

**Friday 16<sup>th</sup> November - Children in Need - Children can wear pyjamas or onesies for a donation**

## Resources:

- **If you have any spare uniform or underwear/socks that we could use in school for when children have accidents it would be greatly appreciated. If your child has had an accident recently please can you provide spare underwear/socks in the book bags for them to change into**
- **On Monday we will change into our PE kits for PE in the hall - please can you ensure your child has their named PE kit in school**

On the 20<sup>th</sup> November we are holding an information evening for prospective parents and families. I would be so grateful if any of you would like to come and help with teas and coffees and talk to new parents about Foundation and children starting school? Please see Miss Tickle for more information if you would like to help.
