Academic Year 2018/19

Issue No: 27

Date 26th April 2019

Hello from Mr West

British values essentially are the cornerstones that individuals who live in Britain adhere too. The language we hear from government is of 'promoting fundamental British values' and of young people 'accepting', 'respecting' and 'tolerating'. These are values that we have and will continue to promote and encourage at Montpelier. It is also important to remember that at this time these values are shared with many other countries across our world – to my mind they should be referred to as human values.

The promotion of which is part of what we do here at Montpelier, educating children and developing an awareness of other cultures, feelings and beliefs. The children will be able to share that respect is a way of treating or thinking about something or someone. Treating people how you would want to be treated. They are able to recognise that every individual is a person of worth and have the ability to accept others without judgment, valuing the unique backgrounds, talents and abilities every person has.

We all have a duty to 'actively promote' the fundamental values and the best way to do so is in collaboration. I do hope you have a wonderful weekend, I know that I will.

Year 6 Activity Week

Activity Week is nearly here and Year 6 are really looking forward to it!

At this time, there are still a large number of unpaid, accepted, places for Activity Week. Please be aware that this must be paid in full and is not a voluntary contribution. The deadline for payment is fast approaching as we need these funds to secure the activities in advance. Payments can be made in full or in instalments but the total of £46 will be required. If you have any problems please contact the school office. Thank you.

Sports News

Congratulations to the year 5 and 6 Hockey team that competed at Lipson yesterday. The team played fantastically in the first match, with the ball constantly in our attacking end but unable to score, drawing that game 0-0. The second match all players were hungry to score, winning 3-0. Unfortunately losing the last match 2-1. This left us in 2nd position in our pool playing the runners up in the opposite pool. Superb team work winning 2-0. Well done team.

After school clubs with Mrs Pearce

Due to the amount of competitions this term, Tag rugby and Hockey will only take place next week. Hopefully more / different clubs will continue after the half term.
