**25<sup>th</sup> February – 1<sup>st</sup> March 2019**

Welcome back everyone and hope you all had a lovely week off in the sunshine. The children have returned full of enthusiasm, ready to be super learners and ready to prepare for our Gruffalo performance.

This week Len has introduced three new trigraphs: 'er', 'oi' and 'or'. We have been really focussing on letter formation and writing lists with our new digraphs. Can you practise these at home and share your writing on Tapestry? It would be super if you can support your child to choose a word and write it in a sentence, remembering a capital letter, full stop and finger space. Please remember it does not always have to be sat at the table - we can write everywhere; at the beach, in the mud, with chalk etc.

There are some fantastic websites that can help support with ideas at home.

er	or	oi
never	sort	join
after	short	coin
supper	sport	noise
letter	fork	spoil

This week in Maths Meg has been helping us to subtract. We have read a fantastic story by our class author Julia Donaldson called 'Jack and the Flum Flum Tree.' We have used balloons, tent pegs and all of Grandma's resources to support taking away. You can practice this at home when eating food e.g You have 5 peas and eat 2, how many do you have left?

**Home Learning:** As it is World Book Day on Thursday, can the children complete the poster attached and return it to school for us to share. Please add as much colour and sparkle as you would like to decorate your poster. We cannot wait to see the children's outfits and hear about their favourite stories!

Next week we will be sending home times and ticket applications for our Gruffalo performances. We will also kindly be asking for children to bring in costumes for the performance but this will be clothes based and not making or buying anything new. Thank you for your support.
