

Montpelier Primary School – School Improvement Plan (SIP) 2025-26

School Improvement Plan: MPS - Curious, Creative, Confident

Vision: To cultivate curious, creative, and confident learners who achieve accelerated progress, consistently meeting or exceeding national outcomes.

Overarching Aim: To significantly improve the consistency and quality of teaching and learning across MPS.

Outcomes (Summer 2 Data Driven - Aim: National or Above)

To significantly improve the consistency and quality of teaching and learning across MPS.

Priority 1: Improve the proportion of children securely at the Expected Standard (EXS) in Reading, Writing and Maths

Purpose: To ensure every child meets age-related expectations and gaps are closed, providing a strong foundation for secondary education.

Priority 2: Every Child is a Writer: Improve writing attainment so that all pupils meet or exceed EXS, with a focus on boys and underperforming cohorts.

Purpose: To ensure all pupils are confident, skilled writers capable of expressing ideas clearly, both academically and creatively.

Priority 3: Disruption-Free Learning - Establish calm, purposeful classrooms with minimal disruption, maximising learning time.

Purpose: To create a classroom culture where pupils are focused, calm, and ready to learn, ensuring equitable access to high-quality teaching.
