

School Strategic Plan 2022-23

Raising Aspirations for our MPS family

Quality of Education

Enhancing the implementation of our curriculum.

Behaviour and Attitude

To establish a shared language and commitment of behaviour to meet needs of pupils.

Personal Development

To further develop curiosity, creativity and confidence beyond the academic, technical or vocational.

Leadership and Management

Improve the quality of leadership, ensuring capacity to lead, monitor and evaluate.

Early Years

Enhancing the provision to raise the achievement of the EYFS children.
