

Strategic Priorities for 2020 -21, focusing on Overall Effectiveness
for all groups of pupils

Quality of Education

1) Ensure the school's intent and implementation of a quality curriculum is embedded securely and consistently across the school

2) Disadvantaged and SEND pupils achieve exceptionally well

3) Teachers and leaders make best use of assessment

Personal Development

4) Ensure best possible outcomes for personal development through the expansion of our character education

Leadership and Management

5) To develop the role of the subject leader and wider SLT to enhance the teaching of the curriculum and the appropriate use of assessment

6) Ensure all staff receive focused and highly effective professional development

Early Years

7) Ensure the effective implementation of the Development Matters Framework
