Home Learning

- **Reading:** Please continue to read with your child at home. We recommend your child reads for at least 15 minutes three times a week. Books are available from our school library to read at home. Thank you for your support with this, it makes a huge difference to your child's learning and progress. ☺
- **Spelling:** Weekly spellings will be set on a **Monday** this is also when our fun WOW Write will take place. We recommend your child practises their spellings for at least 15 minutes 3 times every week. A spelling sheet will be sent home each week and these words can also be practised using the **Spelling, Shed** website. The spelling list for the week will be assigned to your child and they can play fun games to learn their words.
- **Maths** Children should be using TT Rockstars for 10 minutes, 3 x per week (or a total of 30 minutes across the week). Being fluent with times tables has a positive correlation with success in maths and so we encourage children to practise regularly.
- **Logins for Spelling Shed and TT Rockstars will be sent home in September.**
