Mrs Worthy

Mrs Rosevear

Welcome to Year 1!

We are very excited to start a fresh school year and are determined to make the children's learning experiences extremely fun, special and memorable! We will start the year by getting to know our new classes and settling them back into school life, consolidating some of their Foundation Stage learning as well as getting stuck into our Year One curriculum.

Topics

For the first half term, our topic will be...

Where am I?

We will then move on to

Memory Box

Full details of each topic will be available on the school website.

PE

Year 1's PE days are: **Monday, Tuesday, Thursday and Friday**. The children need to come into school wearing their PE kit on a **Tuesday ONLY**.

Home Learning

We will not be sending home reading records this year, however, please continue to read with your child as often as possible, this is vital to your child's development and will support them with all areas of their learning. As a school, we recommend that an adult should read with a child at least x3 a week. Children will bring books home to share with you. Spellings will be sent out Fridays for children to practice at home and a 'WOW Write' will take place each Friday morning. Thank you for all your support!

Questions & Queries

Please see a member of the Year One Team on the door if you have any immediate questions or call the school office. For non-urgent matters please email your child's class teacher and we will get back to you as soon as we can.
