4S - Miss Boyer & Mrs Medlin

class4S@mpsplymouth.net

Welcome to Year 4!

We're excited to be at the start of a new school year and looking forward to all the amazing learning experiences that are ahead! We will start the year by getting to know our new classes, making sure we're all feeling settled. We'll also recapping some Year 3 learning before getting stuck into the Year 4 curriculum 😊

Topics

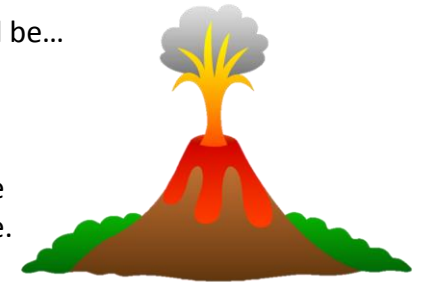

For the first half term, our topic will be...

The Romans in Britain

We will then move on to

What a Disaster!

Full details of each topic will be available on the school website.

PE

Year 4's PE days are **Mondays** and **Wednesdays**. The children need to come into school wearing their PE kit on these days.

Home Learning

We will not be sending home a reading record this year. However, please continue to read with your child as often as possible, this is vital to your child's development and will support them with all areas of their learning. Children will bring a book home to share with you which can be swapped when they have finished with it. Spellings will be given out each Monday in preparation for our Wow Write the following Monday. We will also be teaching all of the times tables this year in fun and exciting ways, including using TT Rockstars. We recommend the children practise regularly using the TT Rockstars app. Your support in helping your child to learn their spellings and times tables, at home, is invaluable – thank you!

Questions & Queries

If you have any questions or queries, you can speak to a member of the Year 4 team on the door at the beginning and end of the school day. Alternatively, you can contact your child's teacher using the class email address. We will get back to you as soon as we can. Thank you!
